

# PARISH POLL

**Do you believe that speeding traffic is a problem in Adderbury and Twyford?**

**If so do you want something done about it?**

If you do then you must come to the **Methodist Hall in Chapel Lane next Monday 13<sup>th</sup> May** between 4.00 pm and 9.00 pm and vote for meaningful measures to be taken to control speeding traffic in our village.

This can be funded by **SOME** of the existing funds currently allocated for village projects.

Please bear in mind two things:

1. The use of these funds **CAN BE VARIED IF THE VILLAGE WANTS IT.**
2. **We are not against the community centre development on the Milton Road.** The community centre project as envisaged will require a large amount of money and will take some considerable time to complete.

**WE ARE SIMPLY ASKING FOR SOME OF THE MONEY TO BE USED TO PROTECT THE LIVES OF OUR VILLAGERS.**

Please vote next Monday 13<sup>th</sup> May for effective traffic calming in Adderbury.

(n.b you will not receive a poll card for this, just turn up on the day)
